

SCHOOL BUS INFORMATION

Parents,

Please navigate your way to the website shown below (www.schoolbuses.wa.gov.au) to make application for bus transport and any changes to existing service (ie change of address)

Once you're on the home School Bus Services home page click on the "Parents" tab which will open a drop down menu, click on Online Forms (circled below). This will open another drop down menu (circled below) where you will need to click on the "Application for Transport Assistance" option. You will then be able to commence the application for Transport Assistance.

Thank you
