

MUSIC PROGRAM APPLICATION FORM for 2020

INCOMING STUDENTS DO NOT NEED TO BE CURRENTLY LEARNING AN INSTRUMENT TO ENROL IN CLASS MUSIC.

Music at DSHS is a year-long course. As such, students enrolled in Class Music will not be able to participate in some other elective subjects and DSHS. Incoming Year 7s must nominate Class Music as an elective should they wish to be in the class. DSHS offers instrumental lessons *in addition* to Class Music. These are done through the government programme Instrumental Music School Services (IMSS). Students who are continuing to learn an instrument through IMSS which they started in Primary School are required to do Class Music. Students do not have to play an instrument with IMSS to be in Class Music at DSHS. IMSS tuition is an optional, audition-based supplement to the Class Music programme. It is recommended that students learn an instrument through IMSS, but it is not a requirement for inclusion in Class Music.

I would like to enrol my child in Class Music (please circle) YES NO

If your child is not currently learning an instrument through IMSS and would like to be involved in Class Music, please see the next page.
