

Passport to Participation

After reaching our first goal of Passport to Participation raising \$1,500, we took great pleasure in Mr Palmer falling victim to having his head and face shaved. What an outstanding effort!

The contributions did not stop there, with donations continuing over the next few weeks until we reached our next goal, we all knew what the outcome of that meant.....Mr Jacques was next in the barber's chair. What an absolute legend for being so brave and having a group of Year 7 students take to his head and face with some clippers and shave every ounce of hair.

Students and staff were also treated to "Dee's Dance Party" which saw some of our very talented teachers reveal some hidden dancing skills. Students and staff alike joined in and danced along to some classics. We had:

- Groove Master Mr Palmer
- DJ Dee Dee, your friendly School Officer, pumping out the tunes
- Vince Vontain aka Dexter Anderson channelling his alter ego as announcer
- Mr Power doing the Chicken Dance
- Mrs Palmer doing the Twist
- Alex English, Mrs Edmondson & Josie Alexander doing Nut Bush City Limits
- Mrs Brown, Louise Smith, Mr Vine & Mr Brown doing YMCA
- Mr Vine & Mr Palmer doing Gangman Style
- Mr Power & Mrs Edmondson doing the Macarena
- Mrs Judd doing Footloose

It was awesome to see everyone get into the spirit for such a great cause and many thanks to everyone involved in organising it.

Watch this space for more in Term 4!

MESSAGE FROM THE PRINCIPAL

As term three comes to a close, I want to take this opportunity to thank our school community for the impressive sense of service to others and community spirit that has been a focus over recent weeks. The level of engagement in the fundraiser for CanTeen and Ronald McDonald House was outstanding. Whether students were walking laps of the quad, shooting hoops or following in the rather impressive footsteps of staff in the 'Great Gazebo Dance Off' ... it was great to see so many get involved. Huge thanks also go to the staff and students who agreed to shave their heads ... beards ... moustaches as well. Well done Gavin Palmer and Dexter Anderson for being the brains behind this series of events.

I doubt that I've ever worked in a school where there are so many opportunities to dress up! Book Week was a huge success, hotly followed by Wear It Purple Day and, as I write this, our Year 12s have turned out dressed as staff as part of their fun farewell to formal schooling.

You will notice that there are some works happening around the school at present. New ramps and pathways are being installed to make the site more easily accessible. We are also very excited about the solar panel project, which will finally come to fruition during the term break. Enormous thanks go to our P&C for funding this. Special thanks go to our P&C President, Kingsley Gibson, who has worked to help make sure that the project goes ahead.

There will be many opportunities for us to wish our leaving class all the best for the future. For now, I take this opportunity to congratulate them on making it this far and wishing the ATAR students all the very best in their upcoming exams. I hope to see them all return for our Athletics Carnival on 22 October and look forward to the formal valedictory events that will follow that.

I wish everyone a happy and healthy term break.

Kath Ward
Principal

School holidays
are here!

Year Level Assemblies

Congratulations to the following students for receiving Aspiration, Resilience and Respect Awards at the Year Level Assemblies in Week 9:

Year 7:

Nate Wilkes – Aspiration
Chad Stone - Resilience
Eva Souza – Respect

Year 8:

Annika Jeeves – Aspiration
Ethan Hunt – Respect
Kaylah Hughes – Resilience

Congratulations also to **Lochlan Otway** for being awarded an Excellence Certificate from Semester One.

Year 9:

Ayden Carlucci – Aspiration
Jackson Ross – Respect
Matt Collen – Resilience

Year 10:

Riley Coote - Aspiration
Amber Vermeulen - Respect
Bianca Jindrich – Resilience

Congratulations also to **Olivia Chi** for being awarded a certificate for a History Competition and Excellence Certificate, **Charles Merrifield** for a History and Geography Competition and Victor Hoadley awarded a Merit Certificate from Semester One.

Year 11:

Ashton Morrison-Gianatti - Aspiration
Jed Cummuskey – Resilience
Sarah Alexander – Respect

Year 12:

Liam Rubie – Aspiration
Ash English – Resilience
Ewan Maisey – Respect

Recognition to the following forms for being best year-level form group for attendance in Term 3:

Form 7.1
Form 8.1
Form 9.1
Form 10.1
Form 11.2
Form 12.1

NAIDOC Week

Denmark SHS students were treated to some special visitors who shared their knowledge of Aboriginal culture including Ben And Megan from Aboriginal Health presenting the Red Dust Healing Program, Uncle Lester talking about "Healing Country" and Aunty Vernice and Ashlee cooking damper and using bush foods to spice it up.

Proudly sponsored by the Denmark SHS Parents and Citizens Association

Denmark SHS has installed a new '90 Plus Club' honour board in the front office to acknowledge our past students who have achieved an outstanding ATAR ranking of 90+ (position relative to all people in the Year 12 school leaving age population in Western Australia.)

It might also give that little bit of inspiration to our current students who may have an aspiration to see their names on there one day. Thanks to our P&C who funded this initiative.

Deadly Jobs & Careers

Rob Jones and Steven Bergmann took our Indigenous students to the Deadly Jobs and Careers Forum in Albany to learn about pathways after school. Students gained valuable information from experts about a variety of

careers and several even signed up for traineeships on the spot.

Steven Bergmann

Our Basketball Program played Clontarf's basketball team (coached by Mr Rogers and Mr Davies) for some friendly competition with an impressive army of DSHS student supporters watching on. Players and support staff were treated to a sausage sizzle kindly cooked by our Student Support team, David Brown and Amanda Brown.

Mrs Gummer also facilitated students in creating two banners to celebrate and acknowledge DSHS's support of NAIDOC week.

Many thanks to Denmark SHS's AIEO, Mr Rob Jones, and Head of Wellbeing, Mr Brown, for organising a week of awesome activities. Your efforts are appreciated.

Bush Basketry

As part of our postponed NAIDOC Week celebrations this week, our students have been creating some amazing Bush Basketry using traditional weaving techniques including dying of the weave with indigenous dyes.

In our mass-produced world, our students are very lucky to be able to experience creating something by hand, fit for purpose and more importantly, keeping our Aboriginal traditions alive.

Jodie Pollard

Year 11/12 Drama

Our Upper School Drama students participated in a workshop presented by Teresa Izzard from [Feet First Collective](#). The students had a great time learning about "Veiwpoints", a theatre technique that helps to develop movement and devise work.

This work will assist our year 12 students prepare for their practical Drama examinations in Perth.

Debra Edmondson

Music Recitals

During Week 9, all students studying Specialist and Senior Music took part in year-group Recital Nights. These were held in front of a public audience after school in the staff room.

The audience were treated to some marvellous interpretations of a wide range of music. Every Music student should be very proud of the way in which they maturely and expressively performed their pieces.

The Music programme would like to extend a massive thanks to The Roadies P&C Group, and Mrs Edmondson for helping with the stage set up, and for making the space look fantastic

Photos of the event are featured at the end of this newsletter.

Ben Power

Denmark SHS Choir

The school choir and IMSS Voice students sang to a welcoming audience at the Kwoorabup Community Markets on Sunday, 12 September.

With pleasant weather and a supportive crowd, the choir opened the performance with an acapella rendition of Drunken Sailor/O Sinner Man, followed by Up on the Roof and the Bob Marley classic, Three Little Birds. The Year 7 and 8 IMSS Voice students sang a couple of group pieces with featured solos by year 8 students Luiza Brandao-Fagundez and Iris Miller. The soulful Maya Davey Lehmann (Year 11) then took to the stage to perform a couple of solos before leading the choir for Billy Joel's For the Longest Time.

Julia Anwar-McHenry

Opera Australia

On Saturday 21 August, Year 7 IMMS students Marco Varrone and Riverleigh Strang, along with 17 young people from around the Great Southern Region were involved in the professional touring production of Carmen, performed by Opera Australia (Australia's National Opera Company).

The students prepared for a number of choruses (all in French!), and a few other scenes in the famous opera (google Carmen by Bizet and see just how many tunes you can hum along to) across four weeks of music rehearsals. They then had one four-hour call with OA staff to block (practice movements on stage) all six of their scenes the day before the show and a one-hour run of everything on the stage with the full cast and orchestra.

The show was a huge success. OA staff and singers and the audience, were very impressed with the quality of the children's chorus, with many comments made about their vocal energy, fabulous French, and the vibrant stage presence they brought to the production.

The Opera Australia crew were thrilled to have this group of kids involved with their final show of the tour (a tour that due to Covid had been very challenging for everyone) and we again revel in being 'the best children's chorus in Australia'!

Congratulations to Marco and Riverleigh!

The Nightingale

After the success of their recent performance in Opera Australia's Carmen, Denmark SHS IMSS Voice students Marco Varrone and Riverleigh Strang (both Year 7) will again grace the stage of the Albany Entertainment Centre, along

with fellow IMSS Voice student, Iris Miller (Year 8) for the WA Opera's production of The Nightingale. Based on the story by Hans Christian Andersen, The Nightingale is an opera for young people, performed by young people, for all to enjoy. There are two shows at 2:30pm and 6:30pm on Saturday 9 October with tickets available through the Perth Theatre Trust

<https://tickets.ptt.wa.gov.au/events/16812>

John Clark Memorial Band Camp

In week 3 of Term 3 2021, students in the John Clark Memorial Band were given the opportunity to participate in the UWA band festival. The students partaking in the festival also had the chance to perform at Darkan Primary school, visit His Majesty's Theatre to watch the WAYJO Monday night orchestra performing alongside Perth's clarinet soloist Adrian Galante and got involved in two UWA workshops. There were numerous exciting stops along the way, including pizza dinner at the dinosaur playground in Kings Park and the Armadale shopping centre.

We both agree that being surrounded by our peers and meeting students from Mount Barker Senior High School was a valuable experience. The environment in camp was exciting and light, allowing us to comfortably connect with other students from different years. We also had the thrilling opportunity to join the Denmark and Mount Barker bands together to form a large ensemble and play selected pieces from each group. This was a rather inspirational feat as we got to play with a well-balanced band and had a crack at the different pieces from the other crew.

We would like to thank Miss Catherine Warnock and the other staff members and volunteers who helped arrange the event for giving us such a priceless experience. We would also like to thank all the parents who gave up their children (we assume rather keenly) giving them the opportunity to participate in the camp.

Last but not least, we would like to give a big thanks to all the students who came along and achieved an outstanding result. Congrats on getting the highest mark possible for our division, hooray!!

Olivia Chi and Miranda Dowling
Year 9 IMSS students

Year 11/12 Music

Year 11/12 Music students performed Tyler Hartfield's (Y12) new original track "Creed" at NASHS for a workshop with WAAPA directing staff. The WAAPA staff were blown away and only had good comments to make. Well done DSHS Music

Ben Power

Year 9 English

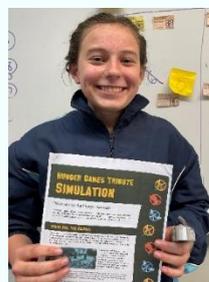

This term Ms Angelini's year 9 English class engaged in a challenging study of *The Hunger Games* novel and Essay writing task. She was pleasantly surprised when every student (except 1) handed in their Essay on the due date!!!

As a reward the class took part in a Hunger Games simulation. It involved students being allocated 'characters' in the game and being placed into 'districts'. Students then took part in a simulation 'cornucopia' on the oval where they challenged for medicine, rewards and immunity.

A foot race was held and a challenger was eliminated. They returned to the class where a series of elimination challenges were held. This included book holding contest, paper scissors rock, arm wrestle, mutt foot race and a quiz-off.

Contestants were eliminated until there was one survivor. Coincidentally sporting a Katniss Everdeen hairstyle, Emma Henderson was crowned the Hunger Games champion of DSHS 2021. Her prize was some 'poisonous berries' from the IGA cornucopia.

Students thoroughly enjoyed taking part in this simulation activity.

If you're not sure what any of this means then perhaps you should read *The Hunger Games* novel, or any novel, as we encourage students to do regularly for pleasure in English at Denmark SHS.

Rachel Angelini
Media & English Teacher

Year 12 General Geography excursion

In week eight our Year 12 students got the opportunity to visit McDonalds in Albany. Here students were able to reinforce their in class learning. As part of our course, the students have been learning about the diffusion of fast food, franchising and impacts of business on their local community. At McDonalds, the students heard from Darren Tyrell – the owner of both Albany restaurants. Here Darren spoke about McDonald's impact on the community, their move to create a healthy menu and how they plan on being sustainable.

Following his speech students took the opportunity to ask questions related to their class work and ones of interest.

The students were also treated to complimentary breakfast muffins and juice.

Max Puls

Year 10 Film

Year 10 Film students using the green screen for their VLOG (video presentations on Popular Culture). Creative use of the Data projector as a teleprompter and Jed Schwarzbach the one armed camera operator.

Rachel Angelini

Wear it Purple

Denmark Senior High School was proud to celebrate the school's first Wear It Purple Day! There was an overwhelming amount of support from staff and students to celebrate and accept all our students for who they are.

Dressed in purple, the students and staff engaged in a range of activities to celebrate diversity and respect each other's individuality. Students made a pledge to make the school a safer and more inclusive environment and wrote positive messages across the school's windows and doors.

Thank you to all students and staff who helped make this day a huge success!

Bookweek 2021

It was awesome to see so many of our staff and students join in on the fun and spirit of Book Week this year. There were some very impressive and interesting characters and everyone put a lot of time and effort in creating some amazing costumes to recreate their favourite book characters.

See, Book Week isn't just for little kids!!

Photos of the event are featured at the end of this newsletter.

We aimed high and touched the clouds!

We conquered Castle Rock in the Porongurups yesterday, camped out under the stars last night and climbed Bluff Knoll in the Stirling's today. The students were studying the human impact on our national parks and enjoyed an informative ranger talk and then collected all rubbish left behind by other humans on our journey.

What an enjoyable experience it was to be part of this awesome bunch of students. They managed to be able to reunite an anxious mum with her kids up on the mountain today with their use of the radios split amongst the group. We were very proud of their skills.

This was a joint venture between DSHS, The Duke of Edinburgh International Award and Emergency Services Cadets Corp WA.

More photos of the event are featured at the end of this newsletter.

Jodie Pollard

Netball - Denmark SHS v Butler College

Denmark SHS welcomed [Butler College Perth Western Australia](#) High Performance Netball Program students back again this year for some friendly competition with some of our very own talented Year 8 & 9 netball players.

It's always a great opportunity to be able to play against different opponents and we look forward to welcoming you back in 2022!

Multi-sports Carnival - Soccer

On Tuesday, 24th August, Denmark Senior High School took four teams of Year 7 & 8 boys and girls across to Albany for the Annual 'Multi-sports Carnival'.

The focus for us was Soccer and we entered a boys and girls team in both the 'Premier League' and the 'Participation League'. The premier league teams were coached by Mr Rob Laud and Ms Jacinta Wright respectively, with our participation teams coached by Mr Chris Kirkwood and Ms Ashleigh Hearn.

It was a cold, bright and blustery late winters day in Albany but the soccer action provided by DSHS was hot! Our participation teams had a great time giving soccer a go, representing their school and having a run around against all the other schools in our region. Our premier league teams showed why Denmark is such a hotbed of Soccer talent in the great Southern. The boys played fantastically and, despite having not lost a game, finished a credible 3rd place due to 3 nail biting draws. The girls were unstoppable on their way to premier league glory and were rarely challenged. The exciting part about their championship win was the emerging dominance of many Year 7's, ensuring that Denmark will be a force to be reckoned with at next year's tournament.

Massive thanks go to the above mentioned coaches and to our excellent umpires, Valli Milne, Abi Matthews, Kai Jones & Ellieyah De Koning-without these guys the tournament couldn't have taken place.

Paul Rogers

Demark SHS High Jump history!!

Siri Matthews making DSHS history by breaking the Year 7 Female High Jump record by over 10 centimetres and clearing 1.42 metres. What a superb effort, well done Siri!

Year 11/12 General Outdoor Education

Year 11/12 General Outdoor Education hiking expedition to Albany, following the Bibbulmun track along the Nullaki peninsula. This camp was used to assess the students bushwalking/hiking, teamwork and leadership skills, as well as their general camp craft. Mr Rogers is extremely proud of each and

every student who completed the camp and he's sure it will be an experience you will remember for years to come.

How incredibly lucky are our students to have access to such spectacular landscapes and outdoor facilities on their doorstep? We really do live in an amazing place!

Many thanks to Mr Rogers for a huge amount of organisation and to Mr Knight and Ash Hearn (DSHS Phys Ed & Outdoor Ed Assistant - AFL Sportsready) for assisting on the camp.

Photos of the event are featured at the end of this newsletter.

Year 7 - 2022 Specialised Basketball

Year 7 - 2022 Approved Specialist Program – Basketball applications are due in. If you have not already done so, can you please complete and submit to Denmark SHS front office ASAP.

2022 YEAR 7 ENROLMENTS

Enrolment packages have now been distributed to your child's Primary School. We ask that you please complete ALL documents and return to Denmark SHS along with a copy of your child's Birth Certificate and up-to-date Immunisation History Statement at your earliest convenience to assist us in planning for the 2022 school year.

If your child will not be attending DSHS, we ask that you let us know by phoning 9848 0100.

DENMARK SENIOR HIGH SCHOOL *Strive to Achieve*

Breakfast Club:

Foodbank Food Drive

Foodbank WA have supported Denmark SHS Breakfast Club for 20 years and it is time to give back! We are collecting non-perishable food items and toiletries. Items must be in date with seals intact, cans must not be damaged or dented, and no glass containers please. Please see the list of suggested items.

A collection point is available in the student wellbeing hub throughout September. All items will be taken to Foodbank in Albany.

Thank you for your support.

Louise Smith
Chaplain

VACANCIES - TRAFFIC WARDENS Children's Crossings

The WA Police Force is looking to fill a current vacancy in Denmark.

Duties:

The position of Traffic Warden is to ensure safe pedestrian access of essentially primary age children across carriageways at children's crossings.

Working Conditions:

- School Days, Monday to Friday.
- Contract: casual contract opportunities are available. (Terms and conditions of employment are those provided by the Western Australia Police School Traffic Wardens Agreement 2011).
- Standard Children's Crossing Hours: 1 hour in morning and 1 hour in afternoon
- Hourly Rate: \$24.97 per hour, which includes 20% loading in lieu of payment for public holidays, annual leave and sick leave.
- Laundry Allowance: \$0.69 per week.
- Motor Vehicle Allowance payable under certain conditions.
- Full training and uniform provided.

For Further Information and Application Package Telephone:

Traffic Warden State Management Unit on (08) 6274 8731 or email

Traffic.Warden.State.Management.Unit@police.wa.gov.au

PLEASE NOTE:

Applicants must have a current WA driver's licence and use of a motorised vehicle. Applicants will also be required to complete a health assessment, integrity and criminal check and if successful, will be required to apply for a 'Working with Children' card.

The cost of the Working with Children Card and up to \$70 towards a health assessment will be reimbursed after working one month.
