## **ELECTIVE SELECTIONS:**

**Please read the information below carefully prior to selecting courses:**

- Complete this form by indicating your preferences for courses in each Semester in the table overleaf. Number your preference 1-4 with 1= first preference **on every line**. Put the numbers in the space below the course name.
- Each course runs for a semester so you may pick the same course in Semester 1 and Semester 2 (excluding Outdoor Education Land AND Water – these are a repeat course to allow for the maximum number of students to participate).
- Check your eligibility for specialist electives and any special conditions applying to your other elective selections.
- **You must select a course from Health & PE.** It is a Department of Education requirement that you undertake 2 hours of physical activity at school each week. You must therefore select at least one course that contains the following icon 
- You will generally not be placed in Outdoor Education Water and Land in the same Semester. You will not generally be placed in more than two Physical Activity Electives in any one Semester.
- **REMEMBER – THESE ELECTIVES FILL UP VERY QUICKLY PLEASE DO NOT DELAY IN RETURNING YOUR SELECTION SHEET AS SOME CLASSES ARE CAPPED AND YOU MAY MISS OUT ON YOUR PREFERRED OPTION. PREFERENCE WILL BE GIVEN TO STUDENTS WITH GOOD STANDING AND REGULAR ATTENDANCE.**

**Parent or Guardian: Please carefully check these selections with your son/daughter, then sign below**

I agree with this selection of courses for my child. I request the courses as listed on the understanding that:

- Some courses may not be timetabled or may be moved on the grid due to economic or other constraints.
